Instrumental suggestions

Psalm CXXXVI : Super flumina Babylonis – Op die rivieren van Babel

The solo bass part can also be performed on double bass or bass guitar. The text can lend itself to 'unusual' instrumental sounds as accompaniment. For example : the alto part can also be performed by a clarinet, and by a second clarinet which plays a trill with the keys each time the first clarinet starts a melodic sentence. For the alto voice and bass voice, wind players are recommended.
